IN THE BORDEN CASE.

Policeman Denied Admission to the House in Fall River.

He Came to Search Again for Trace of That Hatchet Handle.

All the Officers on the Case but Mulialy Have Been Promoted.

NEW BEDFORD, Mass., June 10 .-There was less of a rush this morning than there has been yet for the Borden trial, the morning opening warm and muggy, and the uncomfortable condition of the court-room being too little to offset the drawing powers of com-

Miss Borden took her seat at 8.55 within the bar, and looked quite fresh and rosy, and more interested in her heretofore. Yesterday she fingered her used it as expressing her thoughts and feelings, twirling it about disappointment; this morning her smelling-bottle had the prominent place within the grasp of her fingers, and she what nervously as she furtively glanced

sides held a consultation in the private

A POLICE LIEUTENANT'S STORY. The first witness was Lieut. F. L. Edson, of the Fall River police force, who testified as follows: "At the time of the Borden tragedy I was acting Sergeant of Police. At 8.46 tast night I went to the Borden house in consequence of instructions, but was refused at the door. I sent word to Miss Emma Borden requesting to be admitted, but was refused. Officer Mahoney was with

two wood-axes, a hand-axe and a small shingle hatchet from the Borden house. The axes and hatchet were taken to street, near Centre Market, about 9 o'clock had anything to do with them since. When I was at the house in the morning of the 5th. I was talking with Emma, and whether she was sure the back cellar door was locked, and the answer was:

ises on the 8th. Desmond. Connors Quigley, Medley and an outsider, Mr.

wards Mrs. Kelly's; I don't remembe joining; they were on the ground, but I chimney there.

in which the cinders had been placed. the chimney. I did not see any box taken down. My work was done carefully, and I think the others did theirs so; I found nothing in the box of ciniers and nothing anywhere else. The hatchets and axes were not there that

THE HANDLESS HATCHET. Officer Medley took away that mornme. It was wrapped up in a paper. It had no handle, and he had no handle n his possession. I saw no handle there. I don't know where he got this hatchet. During my search in the cellar I found nothing bearing upon this case, and at that time I was satisfied there was nothing. We had a mason with us to open the chimney if necessary. I am quite sure he did open it, am not positive; his name is Charles H. Bryant. I don't know that he took

had every opportunity to search that I wanted." Officer Edson's testimony was valuable only as showing an ineffectual atcellar for the hatchet handle sworn to by Mullaly, which Marshal Fleet said he did not see, and as a description

of the thorough search of the cellar after he murder, when he saw no loose His statement that State Detective McHenry was at the barn during the search brought out an inquiry as to River police. Mr. Robinson also brough out the fact that nearly all the Fall

River police prominent in this case, have been promoted since the murder,

The prisoner closely watched the exhi-oltion to the jury of a box and basket containing lead found in the barn.

At 10 o'clock Officer Benjamin F. Ma-

honey was called, and corroborated Lieut. Edson. At 10.05 Officer Medley Medley described finding the barn door

fastened, and seeing that the dust upstairs had not been disturbed. Barn vindows and doors upstairs were closed. His examination was made within ten inutes after reaching the house.

MEDLEY SAW NO HANDLE. Officer Medley described his finding of the handleless hatchet, covered with Held on coarse dust of ashes, except on the new break. He saw no handle there and never had possession of any part of the handle, except that which was in the head of the hatchet.

Witness identified the small hatchet, and said that when he found it the office, was held in Jefferson Market Po- Lewis Boody, of New York, reported piece was in the iron. Continuing, he
